Optional: Honor Someone Special With Your Donation

The Athens Regional Library System Memorial or Honor Program is a practical and gracious way to pay tribute to a loved one or other esteemed person. Request materials to be added to the Athens-Clarke County Library, or to any one of the branches in the Regional Library System, in memory or honor of the person you designate. Generally, a \$25 tax-deductible donation will purchase one book (specific titles may be more costly; please check with a librarian). The Library completes and adds a bookplate to the book or other library material purchased with your contribution, resulting in a meaningful tribute that will endure for years and be enjoyed by many in the community.

Select preferred language:

- In memory of (person's name as should appear on bookplate): _____
- In honor of (person's name as should appear on bookplate): _____
